

A young child with blonde hair and blue goggles is swimming in a pool, smiling. The child is the central focus, with water splashing around them. The background is a blurred view of the pool's surface.

Sometimes the best reason to keep your health history in one place...

is the one right in front of you.

WorldHealthRecord

# WorldHealthRecord

The screenshot shows the WorldHealthRecord website interface. At the top, there's a navigation bar with icons for 'ABOUT ME', 'ALLERGIES', 'MEDICATIONS', 'MEDICAL HISTORY', 'VETS', 'SURGERIES', 'PROBLEMS', and 'CONTACT'. Below this is a 'Basic Information' section with fields for Name, Gender, Birth Date, Address, City, State/Province, Country, Zip, Phone, and Email. To the right is an 'Emergency Contact' section with fields for Name, Address, City, State/Province, County, Zip, Phone, and Email. There are also links for 'Print a Copy of My Card', 'Print a Copy of My History', 'Document Center', and 'Logout'. A 'Change Notify' button is visible in the 'About Me' section.
